MEMO

Chief Jim Stewart

August 21, 2026

After reviewing Jeff Clark's personnel file, I have examined his previous "do not rehire" status from the prior administration. I am updating that status to indicate that Jeff Clark is eligible for rehire, provided he meets all current requirements for the position of police officer. I find no evidence that his departure, which appears to have been for personal reasons, should disqualify him from future employment.

Respectfully,
